

Recycle plastic film at the Mercer Public Library

The Mercer Public Library is participating in the Trex Community Challenge Program. If we collect more than 500 pounds of plastic refuse between now and October 2021, Trex will donate a high-performance composite bench to our community.

Reduce your impact on the environment and keep plastic film out of the landfill.

Collection bins are available at the Mercer Public Library
and Snow's Family Market in Mercer.

What can be recycled?

Plastic films labeled with #2 or #4 recycling symbols and other “stretchy” plastics, including retail bags, produce bags, pallet wrap, air pillows, and bubble wrap. All plastic must be clean, dry, and free of food residue. Remove any paper labels, receipts, and other non-recyclable items.

What **cannot** be recycled?

Shiny, crinkly items like floral wrap, chip bags, or candy bar wrappers; compostable packaging; pre-washed salad bags; pet food bags; six-pack rings; meat packaging; gloves, masks, or other PPE; vinyl shower curtains or tablecloths; bedding packaging; mulch or soil bags; frozen food bags; and net or mesh produce bags. Visit recycle.trex.com/view/educate for more details.
